Jointly organized by
University of International Business and Economics

BACKGROUND:

The 15th International Conference on Asian Financial Markets and Economic Development is a forum for presentation of research results, practices in the fields of finance, banking and accounting. Contributors and participants include academia, researchers, financial service providers and policymakers. The conference will be hosted by Beijing Technology and Business University (China), Nagasaki University (Japan), South Western University of Finance and Economics (China), and Shiga University (Japan), in cooperation with University of International Business and Economics (China).

To provide cutting-edge insights into contemporary policy debates on economic, financial and accounting issues, we invite papers on the following topics but not limited to:

- Accounting Information and Disclosure
- Financial and Management Accounting
- Corporate Finance
- Corporate Governance

- Behavioral Finance
- Banking and Financial Services
- Financial Regulation and Supervision
- Financial Stability
- Asset Pricing and Portfolio Valuation
- International Finance
- Financial Markets

VENUE:

Beijing Yulong International Hotel, Beijing, China P. R.(<http://en.yulonghotels.cn/>)
